Live Better U Fact Sheet

On July 27, 2021, Walmart announced it will pay 100% of college tuition and books for associates through its Live Better U (LBU) program. Starting Aug. 16, the $1 a day fee will be removed for associates, making all education programs paid for by Walmart. This means approximately 1.5 million part-time and full-time Walmart and Sam’s Club associates in the U.S. can earn college degrees or learn new trade skills without the burden of education debt. As the largest U.S. private employer, Walmart is committed to investing nearly $1 billion over the next five years in career-driven training and development.
