THIS IS MōDRN.

It's a curated, exclusive line of furniture and décor that features three collections of upscale contemporary pieces. MōDRN is smart and fun, always approachable, confident and inviting — as if to say, “Let us help you make your home a better place.” MōDRN is inventive and elegant, but never intimidating.

Premium, sophisticated furniture and décor should fit your lifestyle while letting you reach your style potential. MōDRN makes cutting-edge, well-considered design achievable.

MōDRN features nearly 650 items for every room. The complete collections are available at [Walmart.com](https://www.walmart.com), [Jet.com](https://www.jet.com) and [Hayneedle.com](https://www.hayneedle.com).

QUALITY & CONSTRUCTION

Each collection focuses on top-of-the-line materials for the best value. The state-of-the-art designs include hardwood furniture, native and exotic veneers, brass accents, rich velvets, delicate marble tabletops, foam-wrapped spring seating, performance upholstery and more.
