

Eligible Kansans can now receive a COVID-19 vaccine through Walmart and Sam's Club locations across the state.

Why should I get vaccinated?

Getting the COVID-19 vaccine not only helps protect you, but also those around you who are not yet eligible to get the vaccine or are extra-vulnerable. By doing so, you're performing an act of service for your community and freeing up health care resources for those in need with other health conditions.

To learn more visit [CDC.gov/Covidvaccine](https://www.CDC.gov/Covidvaccine)

Is the vaccine safe?

Yes! The vaccine is safe and more than 90% effective in preventing COVID-19 after two doses*. When you receive your first dose, we will schedule your appointment for the second dose. It is absolutely necessary that you receive both doses. The COVID-19 vaccine cannot give you COVID-19.

To check availability and schedule an appointment, visit:

www.walmart.com/COVIDvaccine and www.samsclub.com/covid.

Before scheduling an appointment, please verify your eligibility through your State Health Department's website.

* According to Phase III data from Pfizer BioNtech and Moderna
