

# Eligible Wyomingites can now receive a COVID-19 vaccine through Walmart and Sam's Club locations across the state.

## Why should I get vaccinated?

Getting the COVID-19 vaccine not only helps protect you, but also those around you who are not yet eligible to get the vaccine or are extra-vulnerable. By doing so, you're performing an act of service for your community and freeing up health care resources for those in need with other health conditions.
