<tr>
<th>Product Submission</th>
</tr>
</thead>
</table>
| **Do you supply any products made in the USA?** | • Yes  
• No |
| **Do you provide licensed/royalty products?** | • Yes  
• No |
| **Are you a broker for any of the products you would like to sell?** | • Yes  
• No |
| **Are you a distributor for any of the products you would like to sell?** | • Yes  
• No |
| **Are you interested in private label (optional)?** | • Yes  
• No |
| **Provide URLs to retail sites where you currently sell (optional)** | Enter URL address |
| **Tell us why your products are a good fit for Walmart (optional)** | Enter information requested |

*By providing product information, I agree to be bound by the terms of the Online Product Submission Statement.*

**To add items, you’ll first need to export a spreadsheet template, then fill out your item info & upload. Click the Get Started Button. Provide a list of products IDs for each of the items you would like to share with Walmart. You may enter GTINs, UPCs, EANs, ISBNs or your own unique SKUs. You can submit up to 200 items at a time. Row 6 on the spreadsheet have some helpful tips for completion of the template.**

Enter a list of your Product IDs, this will populate the spreadsheet template. Click Add Product button.

Export the spreadsheet template from the download/upload page and fill out the remaining item information. Then upload the spreadsheet file on the download/upload page. If upload doesn’t complete, correct any identified errors, and retry.

Review your items to confirm you are ready to submit your catalog to the Walmart buying team. If you need to make changes, edit the spreadsheet and upload again.

**Contacts**

**Add Contacts**

Provide contact information for each role listed below by selecting the role or clicking the 'add contact' button. The same contact can be associated with multiple roles. CEO, CFO and Administrator should be completed first.

• Administrator  
• CEO  
• CFO  
• Accounts Payable  
• Account Representative  
• Customer Service: Customer

|          | - Walmart business information (private brand/ factory type/ operation type)  

| Logistics | Please answer a few questions about delivering to Walmart facilities. To be considered eligible as a DSV supplier, all the following questions must be answered Y  
|-----------|----------------------------------------------------------------------------------------------------------------------------------|
|           | - Will you be delivering your product directly to the stores?  
|           | - If Y from previous question, are you using advance ship notice ASN?  
|           | - Do you have a US based presence and account management that can provide same-day support?  
|           | - Are you able to update inventory with at least one inventory feed per day?  
|           | - Can you acknowledge receipt of orders within four business hours?  
|           | - Do you have on-site warehouse management who can resolve operations and order issues during weekday business hours?  
|           | - Can you ship same day? DSV Program requires supplier to fulfill each weekday and requires 12pm or later order cutoff time.  
|           | - Can you ship with the carrier and ship methods assigned by Walmart?  
|           | - Can you comply to ship in plain, unbranded packages? |
| ASN/DEX Selection | Tell us how you’ll be handling delivery of your products. Please answer a few questions about the types of products you will be selling and how you plan to transport them.  
• Will you be delivering your products directly to the store? Yes/No  
• If yes, are you using Advanced Ship Notice (ASN)? |
|-------------------|--------------------------------------------------------------------------------------------------|
| Delivery Lead Time | Provide information about lead time for shipping your product.  
• Selling prescription pharmacy products Yes/No  
• Selling food/beverage products Yes/No  
• Selling non-food/beverage products Yes/No  
Select a Contact |
| Transportation Ship Point | For Collect Suppliers Only (will show after agreement)  
Collect shippers must create or request ship points before they can route orders. Please answer a few questions about the types of products you will be selling and how you plan to transport them.  
• Are you a collect shipper? Yes/No  
You will need to set up ship points in the Transportation Supply Chain Portal (TSCP) application after onboarding. |
| Facility Information | Provide address, contacts, hours, and other information for all facilities.  
• Add Facility  
  o Address, City, State/Province, Zip/Postal Code  
  o Add Contacts  
• Add information for receiving orders and shipping orders – start and end times  
• Add number of days to process  
• Provide the dates the facility will be closed  
• Provide unit type and capacity by day  
• Do you have your own delivery vehicles to ship your goods? Y/N  
• What types of products are shipped from this facility? (optional) |
| Acknowledgments | To complete this onboarding step, review and acknowledge the documents listed.  
• Standards for Supplier  
• Responsible Sourcing Audit Policy  
• Responsible Sourcing Disclosure Policy  
• Code of Conduct  
• Supplier Antitrust  
• Product Safety  
• OSHA  
• Prop 65 Toolkit |
| Congratulations! | Once you have completed the Supplier Onboarding steps and are in onboarding status of agreement ready, merchants who are interested in your product are able to send an invitation for an agreement. Suppliers that have agreement ready status do not have a guarantee of business.  
Once you have a 6-digit supplier number, you will have full access to Retail Link and the Retail Link Academy, which is your source for training! It contains videos, documents, and training materials on various areas of Walmart Merchandising under the new, updated, and featured articles. You can search courses in a variety of ways:  
• Getting Started  
• Item Setup & Management  
• Ordering & Replenishment  
• Direct Ship (DSV) Suppliers  
• Sam’s Club  
• Sam’s Club Item Master Data Management  
• Marketing  
• Fundamentals  
• Setting Up Your Business  
• Merchandising  
• eCommerce  
• Systems & Reporting
